Council Updates

Start Time for Council Meetings Moved Back Thirty Minutes

At its March 26 City Council Meeting, the Council approved updates to its Rules and Procedures for meetings, agendas, citizen participation at meetings, and more. One of the material changes was moving the start time for Council Meetings from 7:30pm to 7pm. Most meetings are preceded by work sessions and an opportunity for citizen comments on the consent agenda items, but the official proceedings will now begin at 7pm.

Agendas are posted on the Town's website three days before the meetings and include the time work sessions begin.

Upcoming Public Hearing

The following public hearing will take place at the April 9 City Council Meeting. Agendas are posted [on the Town's website](#) three days before the meeting.

Hold a public hearing, present, discuss, and consider action on a request for a Special Use Permit (SUP) to allow a private school on a portion of an 8.67± acre property located south of Proton Drive and approximately 600 feet west of Midway Road (14295 Midway Road), that is currently zoned Planned Development (PD), through Ordinance No. 625. Case 1906-Z/14295 Midway Road (Westwood Montessori).

Around Town

Council Discusses Key Focus Areas at Spring Town Meeting

City Council Members provided updates on the seven Key Focus Areas identified during their strategic planning retreat at the Spring Town Meeting on April 2. Thanks to the many residents who came out to learn more about what is happening in Addison. If you missed the meeting, you can find the video [here](#).

Archer Western Herzog Provides Silver Line Updates

On Thursday, April 4, Archer Western Herzog (AWH) provided construction updates on the DART Silver Line Project at a Community Meeting at La Spiga Bakery. The Addison station is approximately 80% complete. Over the past two weeks, AWH has installed some of the art elements that make our station uniquely Addison including blue lighting, a signature "A" on the columns, and representations of local public art. They also shared that DART is coordinating

with NTTA for a full closure of the Dallas North Tollway on Saturday night, April 6 from 10 pm to 5 am on Sunday, April 7 to set the pedestrian bridge for the hike and bike trail that will run adjacent to the rail line.

Learn more and register for updates at www.DART.org/silverline.

New Popular Financial Report Now Available

Addison's [Popular Annual Financial Report \(PAFR\)](#) for the Fiscal Year ending September 30, 2023 is hot off the presses. The financial information contained in the PAFR is taken from the financial statements that are a part of Addison's 2023 Comprehensive Financial Annual Report but conveyed in a format that is easier to read. In addition to the financial information, the report also includes the Town's history, City Council Key Focus Areas, year-in-review highlights, and more. Addison began producing a PAFR three years ago and it has been recognized by the Government Finance Officers Association with an Award for Achievement in Popular Annual Financial Reporting all three years. This report is being mailed to all Addison residents, so watch your mailbox for your copy.

Addison's Environmental Health Division Offers Free Mosquito Dunks and

It is almost mosquito season again! To help control mosquitoes on your property and reduce the possibility of mosquito-borne diseases, the Town's Environmental Health Division will be distributing free mosquito dunks and repellant for Addison residents at the Athletic Club, Town Hall, and the Service Center beginning April 8. Mosquito Dunks are small, donut-shaped disks that float on the surface of standing or stagnant water on your property and release bacteria that kill mosquito larvae in the water. A single dunk will cover an area of about 100 square feet.

Addison will begin mosquito sampling the first week of May. Samples are collected on Thursday evening and delivered to the Dallas County Health and Human Services lab on Friday morning. Results are usually available by noon the following Monday.

Fogging is performed when a mosquito sample tests positive for West Nile Virus (WNV). Residents will be notified in advance through signage in the neighborhood, notices on social media and the Town's website, and texts generated through the [Addison Alert Program](#). If we can't reach you, we can't alert you, so register today!

Sips and Scoops - Addison Coffee Roasters

Mark your calendar for the next Sips and Scoops on Tuesday, April 16 at Addison Coffee Roasters (15012 Beltway Drive). Not only will you get an update on what's going on around Town, but you'll also get a behind-the-scenes tour of Addison's only small-batch coffee roaster and an opportunity to try some of their special brews.

[illegible]

The event will be held in conjunction with a Shred and Recycle Roundup that will be held in the Conference Centre parking lot from 9am - noon.

Dallas Area Rapid Transit and the North Texas Tollway Authority have agreed to an overnight closure of the Dallas North Tollway between Belt Line and Keller Springs roads from 10pm on Saturday, April 6, to 5am on Sunday, April 7.

This closure is needed to set a new pedestrian bridge that is part of a regional hike and bike trail that follows the alignment of the DART Silver Line Regional Rail Project.

Pet of the Month: Frankenstein

ADDISON

April
Pet of the Month

Frankenstein

Frankenstein is a one-and-a-half-year-old Rottweiler mix who embodies the essence of sweetness, goofiness, and affection. This energetic pup loves to run around and play. Despite his larger size, Frankenstein has a gentle nature and adores being close to people, especially after a lively play session. His unique charm is further highlighted by his quirky running style, adding to his endearing character.
