## Addison Master Transportation Plan Stone Cottage – 15650 Addison Road July 10<sup>th</sup>, 2025 6:00 PM - 8:00 PM – Open House

**ADDISON**

### What is This Project?

The Master Transportation Plan (MTP) Update is a community-driven effort to improve mobility, safety, and connectivity in Addison. This plan will guide future investments in:

**Roads & Intersections** – Maintaining and improving traffic flow and safety

**Sidewalks & Pedestrian Crossings** – Improving walkability and accessibility

**Bike Lanes & Trails** – Expanding options for cyclists

**Public Transit Access** – Strengthening connectivity and convenience

**Curb Management** – Optimizing space for rideshare, deliveries, and parking

**Your input matters!** Help us identify challenges and opportunities so we can create a more efficient, accessible, and future-ready transportation system for everyone and attend this meeting.
